Narrative

front door when S1 prevented him from entering by "bear hugging" V1. V1 stated S2 then grabbed a red gas can, filled with gasoline, and stated "This is what you get."

S2 then produced a lighter and as he tried to light the can on fire he dropped it on the ground spilling gasoline on the ground. S2 was then successful lighting the gasoline which produced a large fireball burning the face and hair of V1. S1 & S2 were last seen running north on Quincy Ave.

V1 stated S1 was a black male wearing a blue hat, blue jacket, and blue shoes with the number 23 on the side. S2 was a black male with a blue hat, black jacket, and glasses. V1 stated both males had facial hair.

I observed a red plastic one gallon container lying on the ground near the chairs leading to the front door of 2222 Quincy Ave. O1 stated he was the owner of the container and that it was left outside on the porch. I observed what appeared to be burns on V1's face along with singed hair. V1 complained of pain to his face and was transported by ambulance to Children's Mercy for medical treatment. While the injuries sustained by V1 were non-life threatening the paramedic and EMT believed he suffered from 1st degree burns.

Due to V1's injuries I notified dispatch to initiate a cascade for the suspects.

O1 is V1's father and stated he wanted to prosecute for assault.

Sgt. Rothert R310A, Detective Nelson, and Detective Taylor from Assault Squad were notified and responded to the scene. Detective Majors from Crimes Against Children was notified from the scene.

Digital photos of V1 and the crime scene were captured using the department's issued digital camera and were placed in the Assault's Squad folder.
